- If you want to learn more about the Training Program or are interested in attending a specific course, please contact your [IEMA Regional Coordinator](#). Registration should be made in advance to attend any IEMA sponsored class. Walk-in registrations are only accepted if room space and course materials are available. To register for IEMA classes, please see the [IEMA Online Registration and Tracking Program Page](#).

IX. Presentation - Emergency Management will further discuss the importance of the Cook County Hazmat Commodity Flow Study that kicked-off. One part of the project involves an on-line survey for Tier II facilities where they provide transport information about extremely hazardous substances (EHS) used/stored at their facilities. To do this, the state's Tier II database is being studied.

X. Meeting Schedule

- a. Full Group Meetings are held on Wednesdays, 11 AM at Summit Public Library at this time.

*** Next meeting is May 17, 2023**

- b. Sub-committee Meetings will occur as necessary to assist in the flow study.
